

Langebaan Ratepayers & Residents Association

OUR MISSION

- To be a representative organisation of rate payers and residents of Langebaan (Wards 6 and 14) of the Saldanha Bay Municipality and to be the official spokes body of the Langebaan Community.
- To work with the Saldanha Bay Municipality to ensure transparent, effective financial governance through the fair contribution and distribution of tax monies, efficient budget management and the prudent management of municipal assets.
- To conserve the cultural landscape and architectural heritage and diverse natural environment of Langebaan, while accepting the need for synergy between conservation and sustainable economic growth.
- To work for tangible benefits to all people, with special emphasis on local government accessibility, value for money services, sustainable development, a safe and stable environment and the provision of places and spaces that enrich the lives of individuals and families.
