**Beach Erosion**  
**Ward 6 and Ward 14****Request:**

- **That the erosion of Langebaan's beaches be addressed.**

## Motivation:

- Many of the sand bags have been lost and the beach at Lientjiesklip Caravan Park is eroding.
- The cause of the erosion can be debated and thrown around, but SBM approved the beach front for development and also own properties, roads and infrastructure within the at risk of erosion areas.
- SBM must take the lead in actions to stop the erosion, and must take the responsibility to get other responsible parties such as National Government, Provincial Government, District Municipality, Portnet, etc. involved and accountable.
