

6 September 2022

To: Saldanha Bay Municipality IDP

Fire Security and Accident Response**Ward 6 and Ward 14****Request:**

- **Availability of “first responder” fire and emergency tender permanently located in Langebaan.**
- **Address the risk of fire spreading from the veld to Lientjiesklip caravan park residences and caravans by establishing a fire break.**

Motivation:

Response times from the SBM centralized emergency services places lives and property at risk due to too long travel and thus response times.

It is requested that:

- Traffic and Law Enforcement Officers are based and operational in Langebaan 24 hours per day, 365 days per year.
- That Langebaan based Traffic and Law Enforcement Officers are trained in firefighting.
- A first responder fire tender vehicle be located in Langebaan (until the larger municipal vehicles arrive from Saldanha Airfield).
- This will reduce response times and risk to lives and property damage.
- This will also contribute to managing and reducing the crime in Langebaan.

On behalf of Langebaan Ratepayers and Residents Association
